

Chapter 4.06

EXCLUSION OF SPECIAL WASTES

Sections:

4.06.010 Exclusion of Special Wastes from Sewer System

4.06.010 Exclusion of Special Wastes from Sewer System. The proper and safe operation of collection and treatment facilities may require exclusion, pretreatment, or controlled discharge at the point of origin of certain types or quantities of special wastes. Such exclusion shall be determined by the town.

(Ord 117)
